

In this guide, we will walk you through basic troubleshooting steps you can take to correct any of your connected accounts with errors. Unless noted by the institution, values should update nightly but errors can occur from time to time for different reasons. To keep your website up to date, we recommend logging in regularly to maintain all connections! If you are still experiencing errors, please reach out to our team for further troubleshooting efforts.

- Unable to get the most recent account values..... 2
- The institution rejected your credentials 2
- Connection to this institution has been disconnected due to inactivity 3
- The institution is asking for additional verification 3
- This connection needs attention..... 4
- No accounts found at the institution..... 4

Your accounts are easily access from your **Organizer**. Once in your Organizer, click **Accounts** to see a summary of all accounts entered into the system both by you and your financial representative.

Connections Troubleshooting

Unable to get the most recent account values

In the notification bar, click the link that says Click to Fix. Next, click the Refresh icon. This will refresh the entire connection and pull the most recent account values. If the refresh does not fix the error, contact our team for further troubleshooting options.

The screenshot shows a notification bar for a "Financial Institution" connection. The message states: "We're unable to get the most recent account values. Click to close." Below this, a larger box contains the text: "This is a temporary problem. Click Refresh to see if it has been resolved." A "Refresh" button is highlighted with a red circle. At the bottom of the notification, there is a table with account details.

Account Type	Account Name	Last Updated	Balance
401k ACCOUNT	Qualified Retirement - Traditional 401(k)	12/04/2017 09:00PM	\$70,530
INDIVIDUAL	Taxable Investment	12/04/2017 09:00PM	\$44

The institution rejected your credentials

This error occurs when attempting to connect to the institution and the credentials are rejected by the institution. Click the banner to fix. First, confirm you can log in to the institution directly by clicking the institution name. A new browser tab will open for you to confirm your credentials. If they work, navigate back to your wealth management site and re-enter your credentials and click Connect.

The screenshot shows a notification bar for a "Financial Institution" connection. The message states: "The institution rejected your credentials. Click to close." Below this, a larger box contains the text: "Please verify that you can log into Institution then enter your credentials in the form below." There are two input fields: "User Name" and "Password". The "Password" field has a red border and the text "Password is required." below it. A "Connect" button is highlighted with a red circle. At the bottom of the notification, there is a table with account details.

Account Type	Account Name	Last Updated	Balance
Mortgage	Mortgage - Mortgage	11/28/2017 06:00PM	-\$170,822

Connections Troubleshooting

Connection to this institution has been disconnected due to inactivity

If your connection has required attention after a period of 30-days, it will become disconnected. Your history will not be deleted, but the system will no longer attempt to update account values. Click to fix and enter the required information.

Financial Institution delete refresh

Connections Troubleshooting

This connection needs attention

Click the Institution URL. This will open up the institution log on page in a new browser tab. Confirm that you can log in using that specific site. If credentials are auto-saved, make sure to manually type them in to confirm that the credentials you supplied on your wealth management site will work on the institution site.

No accounts found at the institution

Sometimes accounts are not immediately recognized. Click the binoculars icon to find new accounts. This will refresh with any accounts available at the institution.

Financial Institution

There were no accounts found at this institution.

delete find new refresh

financialinstitution.com

A screenshot of a user interface for managing financial institution connections. The card is titled "Financial Institution" and displays the message "There were no accounts found at this institution." Below this message, it shows the connection's last update time as "04/07/2015 04:45AM". On the right side of the card, there are three icons: a trash can labeled "delete", a pair of binoculars labeled "find new", and a circular arrow labeled "refresh". A red arrow points from the bottom left towards the "find new" button. At the bottom right of the card, the URL "financialinstitution.com" is displayed.
