

In this training user guide we will demonstrate how to create a bookmark for your Integral Wealth Portal in a Samsung Android Device. The bookmark creates a link to the app.

1. Open a browser on the Samsung Android Device.
2. Type in the URL address. Click **Go**.

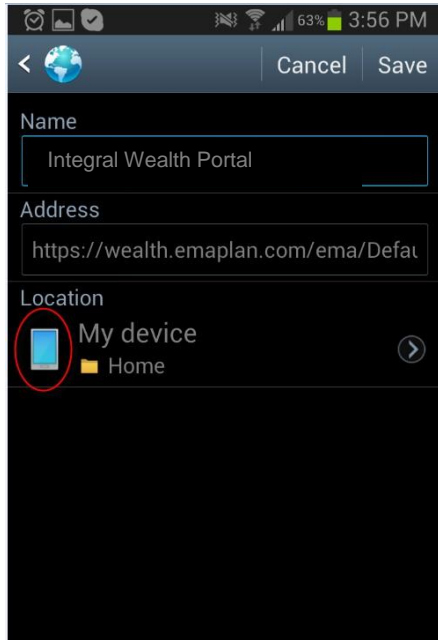

The URL for your Integral Wealth Portal is
<https://wealth.emaplan.com/ema/ria/colmanknightadvisorygrp>

3. Choose Bookmarks. Click the “+” (plus) sign. Rename the bookmark as desired, then click **SAVE**.

Name your bookmark:
Integral Wealth Portal

- A bookmarked icon of this page will now appear under the “My Device” category. Press and hold this icon until a menu appears.

- Select “Add shortcut to home screen.”

- The icon logo should now appear on the home page.
